

# KAIZEN'17 and CYC

*present*

## **Workshop on Youth Development and Media Advocacy** (24th February, 2017 : 9.30AM - 1 PM)

### **About CYC :**

ComMutiny – The Youth Collective (CYC) set up in 2008 works towards promoting and protecting the rights of young people for participation, development and leadership.

CYC is a collective of likeminded organizations who work with young people to advocate for the concept called, 5th Space which is an exploratory space for young people, beyond four traditional spaces of family, friends, education/career and leisure, where youth undertake a journey from self to society through social action. You can visit our website: [www.commutiny.in](http://www.commutiny.in)

### **Workshop on on Youth Development and Media Advocacy:**

This workshop is about creation of a space for discourse on youth issues and 5th Space where young people can express their thoughts & views. This session will consist of few films, interactive activities and listening & sharing spaces.
