Convention

Every interaction is an opportunity to learn and learning is the eye of the mind. In this world full of problems where solutions are difficult to find, what can be a better opportunity than sharing a single platform with like-minded organizations & individuals from around the country working on similar social issues !

Participate as delegates & rediscover the process of change through the 4 stage day long convention!

Stage 1 : Welcome by NSS IITD

Identify & Ignify

Introduction to Convention

Introduction to problem statement & understanding its need

Stage 2 : Leaders for Change

Listen & Learn

Inspiration from journey of several
GAME CHANGERS

Stage 3 : Another feather in the Cap

Discuss & Decrypt

Key to success by path-breaking
ACHIEVERS

Interaction & Q&A with **PIONEERS**
addressing your issues & challenges

Stage 4 : Know your peers

Networking opportunity with
delegates of convention

S uccess tories

A successful initiative, at its core, is thousands of small decisions made correctly. Stories of change, stories of inspiring ideologies and stories of fighting against the odds. Kaizen brings to you such stories narrated by many who made wholehearted contributions to many social causes.

Learn Act Build

Student Bodies Stalls

NGOs Stalls

Projects Stalls

Stalls

A platform to interact, exchange
opinions & network
